PRELIMINARY AMENDMENT

Assistant Commissioner for Patents   January 3, 2001
Washington, D.C. 20231

Sir:

     Prior to examination, please amend the above-identified

application as follows.

IN THE CLAIMS

     Please amend the claims as follows:

     3.   (Amended) A method according to claim 1 [or 2],

further [and] comprising a step of re-establishing the

connection by transmitting a request from the wireless

communication apparatus to the data communication apparatus,

said request comprising the calculated signature based on the

chosen algorithm, the public key and the stored secret key,

and upon reception of the request, the data communication

apparatus calculates the master secret code based on the

chosen algorithm, the signature received, and the private key,
